

# Daymap Login Instructions

Students and parents can log into Daymap from home by clicking on Daymap logo on the Springbank Secondary College contact page or using the link below.

<https://daymap.pasadenahs.sa.edu.au>

This link will direct you to a Microsoft Forefront Threat management Gateway (pictured below) that you will need to use to login to the student's personal Daymap portal.

In the Domain\user name field, type **phs\** followed by the student's **curriculum username**.

In the Password field, type the student's **curriculum password**.

*The curriculum username and password are the details the student uses to login to the classroom computers and laptops on a daily basis.*

*Example:*

Click Log On to access Daymap
