

Daymap Connect is an extension of the Daymap Learning Management System. It is a Parent Portal and combines communication and student management, by providing parents with access to key school and student information on their child's learning behaviour, progress and performance.

Accessing Daymap Connect

Daymap Connect can be accessed using a login and password per parent (with the option to provide multiple logins). The easy-to-use system allows parents to create and manage their own accounts for Daymap Connect and enables them to access details for all of their children enrolled in the school, anywhere and anytime.

The Daymap Connect log in screen is shown below. This can be found by using the URL address that the school has provided.

Creating an account will differ depending on the school. You will either receive a link via email, which you will follow to set up your account.

Alternatively, if you have been provided a student code, you can create a new account by clicking **New User**. You will need to enter your email address that is registered at the school and the student code you were provided. Once details have been entered, click on **Reset Password**. A username and password will be sent instantly to your email account.

Note: Due to security reasons, Daymap is unable to assist if there is an issue with accessing your account. For assistance, please contact your child's school.

Daymap Connect

Daymap Connect has different levels of access that are set by the school. A reduced access mode prevents access to sensitive student information and might be used by the school if you have not completed any required identity checks.

Daymap Connect is navigated via the tabs on the left side of the window to view messages, a calendar of events, school notices and account details.

Schools can customise which tabs are used; therefore, your parent portal may not look exactly like the images below.

Home Tab

This is the main page of the Parent Portal. On this page you will see recent messages and upcoming events. Click on a student icon to access information specific to each student (please note: if you have reduced access you will not see or be able to access individual student information.)

Full Access

Reduced Access

To have access to student assessment, attendance and other information you will first need to confirm your identity with the school

Student Profile

From the Daymap Connect home tab, you can click on any of your children's names to view their student profile which provides more detailed information on their attendance, assessment and details. This assists you to keep track of your child's progress at school.

Home

The Home Tab displays a snapshot of student activity tasks and homework and any upcoming events. Student Activity is listed in chronological order, the school determines the types of information they will include here. All tasks and homework are shown with the set and due date. Upcoming events displays your child's timetable for the upcoming week.
