Daymap Connect

Daymap Connect has different levels of access that are set by the school. A reduced access mode prevents access to sensitive student information and might be used by the school if you have not completed any required identity checks.

Daymap Connect is navigated via the tabs on the left side of the window to view messages, a calendar of events, school notices and account details.

Schools can customise which tabs are used; therefore, your parent portal may not look exactly like the images below.

Home Tab

This is the main page of the Parent Portal. On this page you will see recent messages and upcoming events. Click on a student icon to access information specific to each student (please note: if you have reduced access you will not see or be able to access individual student information.)

Full Access

The screenshot shows the 'Home' tab selected in the left sidebar. The main content area is titled 'My Children' and includes a list of students with their profiles and key statistics.

My Children

Click/Tap your child's name below to view their profile.
